

PRODUCT SPOTLIGHT

University Of West Georgia

Installed in 2009, the University of West Georgia project utilized both of Hussey's MAXAM and MAXAM+ telescopic bleacher systems. Comfortable fold down arm chairs were installed on the lower 33" platform system, while standard plastic bench seats allow for maximum seating capacity in the upper levels.

METRO Chair

Sleek, slim and easy to install, the Metro line is a giant leap towards getting the most out of your facility. Available in both telescopic and fixed versions Metro allows perfect continuity throughout a facility. Metro features whisper quiet seat operation and fits in an amazingly tiny 5 1/2" stored envelope

Gymnasium Maintenance Program

Outdated parts could be all that stand between your school and potential accident liability. Georgia Institutional Furnishings is now offering Gymnasium Maintenance Service for your facility. Regular inspection and maintenance can help extend the life of your equipment and reduce injury liability. We service all brands of Telescopic Bleachers and Basketball Goals. Please let us help maintain your equipment.
