SICO Graduation Stage

Graduation Season is just around the corner
A SICO stage can pay for itself and save money. Compared to the cost of renting, a SICO professional graduation stage can be an economical investment. Use SICO Stages in multiple configurations and for many different events. Even if used only twice per year, SICO stage systems can be less expensive than renting in under 5 years!

SICO Stages are the perfect platform for graduations, but offer the flexibility to be used year-round! Theater performances, Band/choir concerts, Award ceremonies, Presentations, Speaking engagements

Not Just for Graduation, SICO makes a wide array of accessories for mobile stages.
